### **CARE Pharmacies Partners with Bayer To Offer Diabetes Education Days**

Washington DC - Most Americans don't realize they have diabetes and an even greater percentage need the tools and resources to be able to manage their disease. CARE Pharmacies has partnered with Bayer to offer Diabetes Education Days.

"It is the core mission of CARE to help our patients manage their medications," explains Gerson T. Serody, CEO of CARE Pharmacies. "We know firsthand the role that our Pharmacists play in education and awareness."

During the months of October and November, participating CARE Pharmacies will be offering complimentary Diabetes Education sessions. There will be Bayer HealthCare representatives on site as well as trusted CARE Pharmacists. You will be able to ask questions and receive a wealth of educational resources.

"We are excited to be a part of CARE Pharmacies. The Diabetes Education sessions proved to be invaluable resource to our patients," explains Tomi Akinyoyenu, RPh and owner of Apex CARE Pharmacy.

To find a complete list of dates and locations, please go to [www.carepharmacies.com](http://www.carepharmacies.com).

CARE Pharmacies is the leading independent pharmacy franchiser in the United States. CARE promotes and supports the continuing prosperity and professionalism of our community pharmacies through creation and dissemination of dynamic cooperative programs, supporting technology and buying leverage. CARE does this to enhance the success of their shareholder pharmacies and the future of community Pharmacy. For additional information or to locate a CARE Pharmacy location near you, please visit [www.carepharmacies.com](http://www.carepharmacies.com), or call Richard Storey, COO of CARE Pharmacies at (703) 414-5430 and find out how you can become part of the CARE family of specialized pharmacists.
